

## Welcome to the *Wire*!

The Whitehills School Association is pleased to launch its monthly newsletter with this first edition of the *Wolf Pack Wire*! This newsletter complements the monthly school news from Principal Wells. In each issue we will highlight upcoming WSA events and opportunities. We will continue to communicate via school e-blasts, our website, and our Facebook page, but are adding this print communication as well in the hope of reaching all of our school families. We welcome any feedback you have on this new medium!

## Embrace the World

Save the date for our first *Embrace the World* celebration of the diverse cultures at Whitehills! We invite all of our families to join us on Thursday, February 12 for an exploration of the world through a short program and stations representing numerous countries.

Do you have a culture you'd like to share? We would love to have as many families as possible participate! Families set up tables with information and items from their home countries (or a country to which you've traveled or where you've lived), and the children roam from "continent to continent" learning about different countries and getting their "passports" stamped. Kids enjoy touching items from various countries (knick knacks, musical instruments, toys), seeing photos (especially of children!), trying on international clothing, and maybe hearing a bit of the language or music.

If you are interested in helping out with this event, please contact one of the Co-chairs, Kim Steed-Page or Joy Campbell, via the WSA email (at right).

## UPCOMING EVENTS
