

## Science & Engineering Festival

The first annual Whitehills Science & Engineering Festival will be held on Thursday, March 19 from 6:00-8:00pm. The school gym and cafeteria will be full of fun demonstrations and hands-on activities for our Wolves to enjoy. Presenters will include the MSU Worm Team, the Hands-On Dentistry Learning Lab, local naturalists from Nature Discovery, the award-winning MSU Science Theatre group, personnel from MSU Neuroscience, and more. (It's also Marco's Pizza Night—order a quick, easy dinner before heading back to school for the festival!)

## New and Ongoing WSA Fundraisers

There are many ways to support the WSA while you're going about your everyday activities. We're pleased to announce a new one this month!

 AmazonSmile allows you to support the WSA every time you shop on Amazon (it works with Amazon Prime, too). The prices and selection are exactly the same as on Amazon's normal site, but Amazon will donate a percentage of the sales to the WSA. To begin, go to [smile.amazon.com](http://smile.amazon.com) (and bookmark it for later!). On your first visit, search for "Whitehills School Association" where it says "Pick your own charitable organization." Select the WSA, and you're good to go. Amazon will remember the selection and all subsequent eligible purchases will result in a donation. Be sure to do your shopping from [smile.amazon.com](http://smile.amazon.com) (just look for the logo pictured above in the upper left corner of your browser).

Our other ongoing fundraisers include: the monthly **Marco's Pizza Night** (Third Thursday), where the East Lansing Marco's donates a portion of sales to the WSA; **Market Day**, where the WSA receives part of the proceeds when you order groceries online or via the order form; and the **Box Tops for Education** and **Labels for Education** programs, where you clip labels and turn them in to your child's classroom and the WSA submits them for funds.

## UPCOMING EVENTS

### Market Day

Thursday, March 5 (order)  
Wednesday, March 11 (deliv.)  
4:35-5:35pm
