

## Playground Update

All year long people have been working behind the scenes to plan improvements to the Whitehills Playground. Funds raised from the fall Fun Run and other efforts throughout the year will be used beginning this summer to implement Phase 1 of a four-phase plan. Pending approval from the district, Phase 1 will add climbers and other equipment geared especially toward our smaller Wolves in the area adjacent to our current playground. This phase will cost \$10,000-\$15,000, and the WSA is thankful for the support it has received through various fundraisers; this is truly a grass-roots effort!

We would like to extend a special thank you to Girl Scout Troop 288, the Whitehills Junior Girl Scouts, who chose to raise money for our playground as their project for the Bronze Award, the highest award at their level of scouting. They will be presenting a check to the WSA at this month's WSA meeting, and we are grateful to them and Troop Leader Jen Shaw for their support!

We are still seeking donations for this huge undertaking! Please contact the WSA if you are interested in making a tax-deductible donation.

## Speaking of Fundraising...

Whitehills is entered in a contest to win \$5,000 for the playground. From now through May 13, please help by voting each day! Go to <http://bit.ly/1De8AuK> and click on "Vote"! You can also go to this link and search for Whitehills: <http://www.independentbank.com/Investing>.

We are also holding a Brick Sale to spruce up our front brick walkway while raising money for our playground! Watch for flyers to come home or contact the WSA to learn more about this opportunity to create a lasting memory here at Whitehills.
