

What a Year!

It's been an amazing year at Whitehills. We are so proud to have been a part of this brand-new school, bringing all new students, teachers, and parents together to build a new Whitehills community. We think it's been a tremendous success and are excited to see what future years bring.

Thanks to the dedication and hard work of families and teachers alike, Whitehills and the WSA have hosted some fabulous events this year. Some were free activities open to the entire school community, and others served as fund-

raisers for WSA-sponsored projects. The largest project earmarked for fundraising this school year was the playground expansion, but did you know the WSA also sponsored transportation and/or fees for a number of field trips, books for the book room, \$100 classroom grants for every teacher, supplies for events like the Ice Cream Social or Embrace the World, and much more?

We are incredibly grateful for the amazing support of the parents, teachers, and other family and staff members who have volunteered countless hours (whether it was half an hour baking brownies for a teacher appreciation luncheon, or dozens of hours planning a major event) to make all of these events happen for our Wolves.

Playground Grant

We are thrilled to announce that the WSA has received a \$5,000 "Toolbox for Education" grant for playground improvements from the Lowe's Charitable and Educational Foundation! Grant funds will be used to install a hill slide in the coming months. President Angie Smith wrote the grant, and we are grateful to her for her hard work and to Lowe's for their generosity. The WSA is working to develop a five-year plan to continue playground expansion.
