

## Playgroundpalooza Fundraiser is Friday!

The WSA has put together a fun-filled event for Friday night, starting with a taco dinner from El Azteco, followed by swing dance instruction with physical education teacher Mrs. Volovsek. There will be a silent auction with memorabilia from the Detroit Lions, Draymond Green, and more. The night wraps up with a DJ dance party for the whole family. Preliminary playground concept designs will be on display! Be sure to join the fun and support the effort!

## Sign Up to Help with Teacher Appreciation Lunches

Our teachers work hard all year long, but put in especially long hours during conference week, preparing for conferences and then meeting with each child's parents. With your help, we can offer them lunch on the two half days: a soup and sandwich bar on Tuesday, March 15 and a baked potato bar on Thursday, March 17. Sign up to bring something or help with set-up and clean-up by clicking on the "I Want to Volunteer" link from the WSA home page.

## March Science Madness!

The March Science Madness Science Fair & Festival are coming! We're excited to see lots of Wolves have already signed up to do a poster presentation in the Science Fair portion of the event, and the deadline has been extended to March 8 for anyone still wanting to do a poster (registration form on WSA home page). Tri-fold posters are available in the office if you need one. For the Science Festival part of the evening, there are a dozen groups lined up for hands-on fun and demonstrations, from MSU Science Theater to Nature Discovery. Please join us March 24 from 6:00-8:00pm to celebrate our own students' scientific accomplishments and have fun with the visiting labs!

## UPCOMING EVENTS
