

## Thank You!

It's been a wonderful year at Whitehills! Thanks to the dedication and hard work of families and teachers alike, we have been able to positively impact the school in many ways. We've hosted some fantastic events this year, some free activities open to the entire school community, and others which served as fundraisers for WSA-sponsored projects. The largest project earmarked for fundraising this school year was the continued playground expansion (watch the grounds this summer!), but did you know the WSA also sponsored transportation and/or fees for field trips, bought books for the book room, gave \$100 classroom grants to every teacher, purchased supplies for events like the Ice Cream Social and Science Fair, and much more?

We are grateful for the amazing support of the parents, teachers, and other family and staff members who have volunteered countless hours (whether it was half an hour baking brownies for a teacher appreciation luncheon, dozens of hours planning a major event, or quietly showing up to read to a child each week in a classroom) to make all of these events happen for our Wolves.

**Mr. Wells and the WSA cordially invite all those who have volunteered their time this year to a Volunteer Appreciation Breakfast on the last day of school.** As we began the year with a welcome breakfast, we will end it by thanking everyone who has given so generously of their energy to benefit our school. **We hope you can join us for coffee and a bite to eat from 8:30-9:30am on the last day of school.**
