Carnival Planning Full Steam Ahead!

The Whitehills Carnival will be held Friday, May 5! This is an old-fashioned family carnival with a cake walk, duck pond, and other traditional games you remember from your own school carnival. Food, face painting, and a raffle add to the fun. Tickets are reasonably priced at 50 cents each so the whole family can join in, and wristbands (unlimited games) will be available for \$5 off at the Spring Music Showcase and after school on April 28. To volunteer or donate concessions, please see the "I Want to Volunteer!" link on the WSA website for more information, or contact Lynsey Clayton.

Don't Miss the School Carnival!

by Drew Rensing

The school carnival is awesome! My favorite carnival game is the Cake Walk. You walk in a circle and the worker picks a number. If they pick the number you are standing on, you get to pick a cupcake or a cake. I also like the Toilet Paper Toss because it is a lot like basketball. You get three toilet paper rolls and if you toss one of them into the fake toilet, you get to pick a prize.

The school carnival is also a great place to play with your friends. I always end up playing soccer on the soccer field. My sister's favorite part is the bounce houses. You can jump in the bounce houses for five minutes. You need tickets to go inside the bounce houses and to play games. When you are entering the school you can get tickets or a wristband that makes everything free [Ed. Note: wristbands are \$25 at the door]! Inside the school, each classroom has a game. In those games, you can win suckers and other prizes. I love going to the school carnival!

Spring Break Memories

What did you do during spring break? Whether you stayed home, went to day camp, visited friends or relatives, traveled to another state, or journeyed even further away, we hope you had a great time! Here are some favorite spring break moments from a few Whitehills students:

"Go carts with my dad in Pigeon Forge, TN!" is first grader James D's favorite memory from spring break.

"Indoor sky-diving for the second time with my sister in Toronto!" is first grader Amar S's favorite moment.

Second grader Henry L, says his favorite memory is "Fishing in Florida!"

ABOUT THE AUTHORS

Drew Rensing is a third grader in Mr. Grady's class. He loves playing sports with his friends. He is a Harry Potter fan and also enjoys math, reading, writing, and art.

Our article on spring break memories was crowdsourced on our Facebook page, so **all of the students pictured** are authors!

Third grader Michaela E says, "I went to Ireland with my family and got to hold a lamb and visit the Guinness Storehouse. It was really cool!"

Josef V, from third grade, says, "I got to see DanTDM!!!"
