

Enchanted Forest Book Fair Next Week

Join us December 3-7 for the Enchanted Forest Book Fair (stock up for the long winter ahead), and come to the open house Enchanted Forest Creatures Demonstration on December 5! In addition, if you're looking for a way to remember your child's teachers this holiday season, our staff will have wish lists available, if you would like to donate a book to your classroom.

For the second year, financial support from local businesses and the fair's "All for Books" program will be bundled to purchase books for children served by a local nonprofit. This year's partner is EVE's House. There will be book wish slips for EVE's House if you wish to purchase a book, and donation boxes if you would like to contribute in that way. The WSA will also be providing books for our own Wolves in need through our Part of the Pack program.

Thank you to the many parents who have already signed up to cover various shifts! We still have some slots that must be filled in order to keep the Book Fair open for all posted hours. Parents, grandparents, and others are welcome to volunteer. Click on "I Want to Volunteer" from the WSA home page to see where you can still lend a hand.

WOLF PACK WRITERS

Proudly featuring the work of Whitehills students

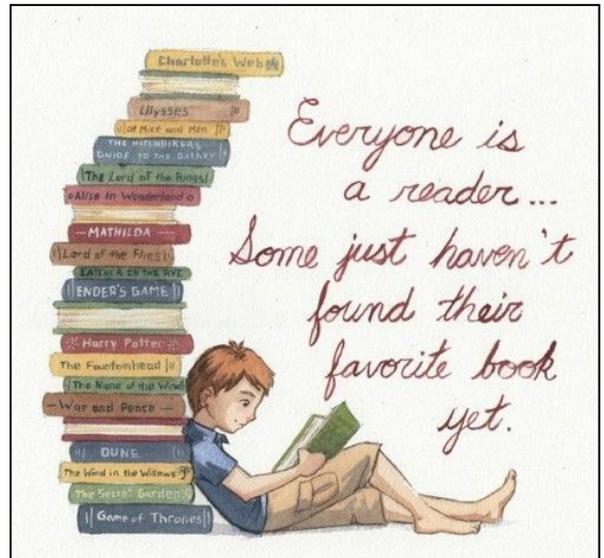

Where Can Reading Take You?

by Cortana Melton

Reading for me has not always been easy. It has been a real struggle. At first when I started it was hard. I couldn't find a genre I liked. Now I have found a few books I like. Those include all of the Magic Treehouse books, *Hatchet*, *Bridge to Terabithia*, and all of the Doctor Seuss books, too.

Does reading not work very well for you? Books can take you on adventures to new lands. So you should pick up a book today and see where it takes you. So, what are you doing? Go and read a book! I suggest *Hatchet*, the Magic Treehouse series, and *Bridge to Terabithia* for adventures. I suggest Doctor Seuss for beginners. Try to write a book, it may be fun. I am going to ask Santa for some books, are you?

Our Fabulous Librarian Mrs. Hosbach

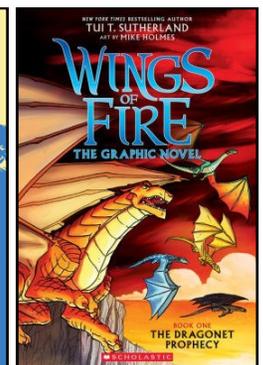

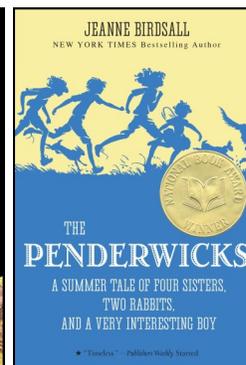

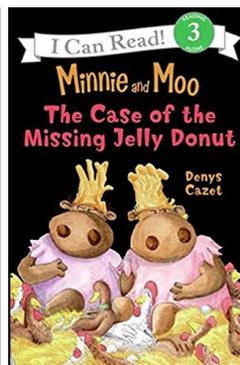

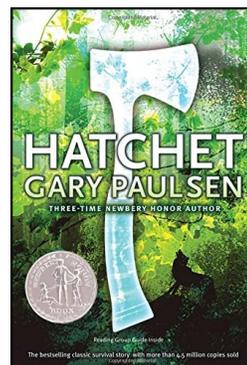

by Matthew Wang

I know that you all have been in Mrs. Hosbach's class, but did you know that Mrs. Hosbach has been a librarian for 14 years? Well, read on to learn about our terrific librarian at Whitehills. Mrs. Hosbach's favorite book is *Hatchet* by Gary Paulsen. Her favorite author and illustrator is Brian Higgins. Mrs. Hosbach says the most popular genre among the students today is Graphic Novels, though she tries very hard to get them to read all kinds of books. However, her favorite genre is Historical Fiction because she can learn about history and have fun with it. Mrs. Hosbach recommends some book series for us to read: Mercy Watson, Keepers of the School, Jack Stalwart, the Penderwicks, Wings of Fire, The Land of Stories, and Minnie and Moo. You might even find one or two or three or more of these wonderful books at the book fair in the first week of December.

ABOUT THE AUTHORS

Cortana Melton is a fifth grader in Ms. Beasley's class. Her favorite animals are unicorns and cats, and she likes to play with her cousins.

Matthew Wang is a fifth grader in Ms. Little's class. He enjoys playing basketball and roots for Michigan State.
