

Walk to School Day

Walk to School Day is Wednesday, October 4! The nationwide event encourages healthy fun and gets kids outside enjoying the fall weather. See the WSA website and the flyer sent home in Friday folders for more information. Click the link to sign up to be a parent leader: <https://www.signupgenius.com/go/10C044EA5AD29A5FE3-44420153-walk#/>

Students who are in B&A, must ride the bus, or who get dropped off will still be able to participate—all the children will do a walk outside the school after attendance is taken, so no Wolf is left behind!
